Birch Plywood Beadboard
Pine Plywood Beadboard

Features and Specifications:

- PatriotBead™ Plywood Beadboard represents the best value available in the market today for a premium White Birch or clear Radiata Pine plywood beadboard.
- PatriotBead™ is available in either a premium White Birch or a clear Radiata Pine face with a 2" on center V-Bead pattern, ideal for stain or paint grade applications.
- Both the Birch and Pine faces are smoothly sanded and completely free of wood patches.
- The reverse side of PatriotBead™ has our patented uniform white RevolutionPly® face veneer for ease of handling and installation.
- PatriotBead™ is perfect for all your plywood beadboard applications, including paneling, wainscoting, millwork, ceilings, cabinetry and crafts.
- **NGBS Green Certified** – PatriotBead™ is certified for points toward ICC-700 National Green Building Standard™ (NGBS).

2" V-Bead pattern premium White Birch face - free of patches

2" V-Bead pattern clear Radiata Pine face - free of patches
