IronPly®

Premium Underlayment

U.S. Patent No.
8,414,996
U.S. Patent No.
9,242,391

Features:

- **Lifetime Residential Warranty** – Details available at www.IronPly.com.
- **Go Green** – All the wood veneers in IronPly® plywood underlayment come from plantation and sustainable wood sources. IronPly® plywood contains no tropical woods or species from endangered forests.
- **NGBS Green Certified** – IronPly® plywood underlayment is certified for points toward ICC-700 National Green Building Standard™ (NGBS).
- **Flooring Industry Approved** – IronPly® plywood underlayment has been tested and approved by Armstrong®, Congoleum®, IVC US®, Mannington® and Tarkett® for use with their flooring. IronPly® plywood uses an exterior glue bond*, as required by the major flooring manufacturers' warranties.
- **Approved For Use Under These Flooring Products** – Sheet vinyl, vinyl composite tile (VCT), luxury vinyl tile (LVT), luxury vinyl plank (LVP), ceramic tile, carpet, engineered flooring, cork floors, and wood floors.
- **TCNA Tested – Extra Heavy Classification** – IronPly® plywood underlayment received an “Extra Heavy” classification per the ASTM standards for ceramic tile installations by the Tile Council of North America.
- **Premium Grade** – The face, back and core of IronPly® plywood underlayment are made with premium grade wood veneers. All of the veneers are sorted and graded piece by piece to meet our stringent quality standards.
- **Durability & Strength** – IronPly® plywood underlayment is cross-grain constructed for superior strength and durability – ideal for high traffic areas such as kitchens and bathrooms.
- **Delamination Free, Solid, Uniform Core** – IronPly® plywood underlayment is manufactured using state-of-the-art technology and multiple quality inspections to ensure that the veneers will not separate. Each piece is guaranteed to have a tight, uniform core.
- **No Bleed Through** – IronPly® plywood underlayment panels are 100% uniform in color from sheet to sheet and will not bleed through to your floor.
- **Easy to Use** – IronPly® plywood underlayment is manufactured to reduce preparation time during installation. A 100% straight grain face contributes to ease of cutting and the spread of adhesives. No special tools are required.
- **Best Packaging in the Industry** – All crates of IronPly® plywood underlayment include two layers of packaging for complete product protection and damage-free arrival.
- **Online Support** – The IronPly® plywood underlayment Warranty, Installation Instructions and Product FAQ's are all available at www.IronPly.com.
- **EPA TSCA Title VI Compliant**

Specifications:

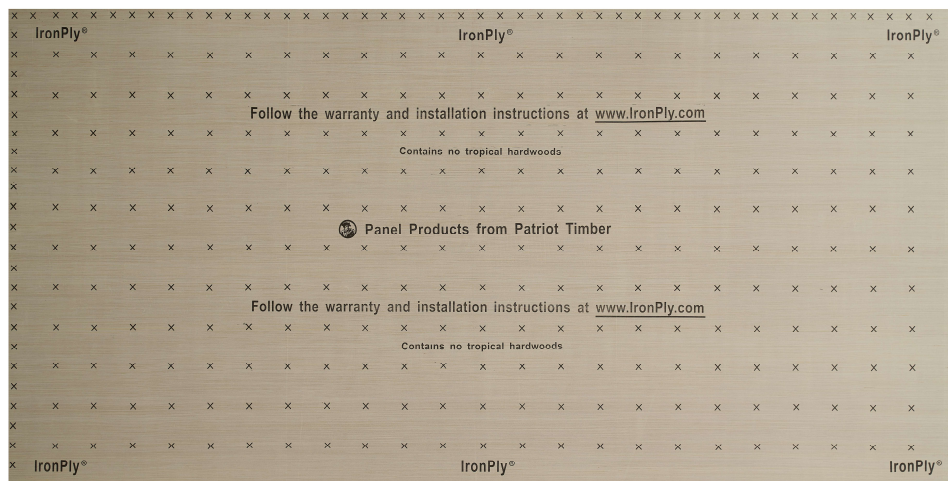

- 1/4" nominal thickness
- 4' x 8'
50 pieces per crate
48 crates per truckload
- 4' x 4'
50 pieces per crate
96 crates per truckload
- EPA TSCA Title VI Compliant
