Premium Underlayment

IronPly EXPRESS LIMITED WARRANTY

Patriot Timber Products, Inc. expressly warrants the **IronPly** Premium Underlayment panels ("**IronPly**"), for the Lifetime of the original floor, when used in residential applications as underlayment for resilient flooring, vinyl tile, carpet, engineered flooring and wood floors and installed pursuant to Patriot Timber Products, Inc.'s Installation Procedures and in accordance with the flooring manufacturer's instructions, (1) against delamination; (2) against the presence of core voids, overlaps, or warping in the plywood that affects the usability of the finished flooring surface; and (3) that the product will not be the sole cause of "discoloration" to the overlaid flooring. Delamination is defined as a visible separation of the plies in the panel as described in US Product Standard PS 1-09.

Patriot Timber Products, Inc.'s warranty does not apply or extend to any product used in commercial applications. This warranty does not apply to any product that has been subjected to misuse, improper application or installation, neglect, accident, fire, floods (natural or plumbing failure), or natural disaster. Telegraphing seams are always the result of incorrect installation. They are not caused by panel failure. Nothing short of physical plywood failure, such as delamination, will be warranted with regard to telegraphing seams. This warranty is voided in its entirety if any modification, adjustment, removal, repair, or attempted repair is performed by anyone without the express, written authorization of Patriot Timber Products, Inc. This warranty covers the original use of the floor and is transferable.

IronPly panels are designed for interior and weather protected flooring applications only (not for direct exterior exposure). **IronPly** panels, as with all plywood, have the potential to support the growth of mold, mildew, fungi, moss, bacterial growth, decay, and rot if exposed to moisture, condensation, humidity, or water. Mold, mildew, fungi, moss, bacterial growth, decay, and rot are not manufacturing or product defects of **IronPly** panels and Patriot Timber Products assumes no responsibility for such conditions, regardless of cause.

LIMITATION OF REMEDY

The sole and exclusive remedy for claims of breach of warranty, negligence, strict liability, or otherwise shall be limited to, at the option of Patriot Timber Products, Inc., repair or replacement of the allegedly defective materials; the lesser of a full credit for raw materials not used as underlayment and the reasonable wholesale cost of materials and labor expended in remedying the alleged breach; or the wholesale cost of replacing the original floor based on the use of the same materials. In no event shall Patriot Timber Products, Inc. be responsible for incidental or consequential damages including, but not limited to, loss of profits, loss of use, punitive damages, costs, or attorneys' fees.
