PatriotBead[®] Plywood Beadboard

EXPRESS LIMITED LIFETIME WARRANTY FOR PANEL ONLY REPLACEMENT

Patriot Timber Products, Inc. expressly warrants the *PatriotBead[®]* Plywood Beadboard will be free of delamination for the lifetime of the panel as installed in its original end-use for non-APA rated residential and commercial construction. Delamination is defined as a visible separation of the plies in the panel as described in US Product Standard PS 1-09. Per PS 1-09, a panel is considered delaminated if visible ply separation at a single glue line exceeds 3 square inches.

Patriot Timber Products, Inc.'s warranty does not apply or extend to any product used in commercial applications in which the applicable building codes require an APA structural rated plywood panel or substantially equivalent structural rated plywood panel. This warranty also does not apply to any product that has been subjected to misuse, improper application or installation, neglect, accident, fire, floods (natural or plumbing failure), or natural disaster. This warranty is voided in its entirety if any modification, adjustment, removal, repair, or attempted repair is performed by anyone without the express, written authorization of Patriot Timber Products, Inc. This warranty covers the original installation and is transferable.

PatriotBead[®] panels are designed for interior and weather protected applications only (not for direct exterior exposure). *PatriotBead[®]* panels, as with all plywood, have the potential to support the growth of mold, mildew, fungi, moss, bacterial growth, decay, and rot if exposed to moisture, condensation, humidity, or water. Mold, mildew, fungi, moss, bacterial growth, decay, and rot are not manufacturing or product defects of *PatriotBead[®]* panels and Patriot Timber Products, Inc. assumes no responsibility for such conditions, regardless of cause.

LIMITATION OF REMEDY

The sole and exclusive remedy for claims of breach of warranty, negligence, strict liability, or otherwise shall be limited to, at the option of Patriot Timber Products, Inc., repair or replacement of the allegedly defective *PatriotBead[®]* panels or full credit for the retail value of the allegedly defective *PatriotBead[®]* panels. In no event shall Patriot Timber Products, Inc. be responsible for incidental or consequential damages including, but not limited to, loss of profits, loss of use, punitive damages, labor costs, or attorneys' fees.
