Reversible Plywood Beadboard

Features and Specifications:

- The face of *RevBead*® has a clear, smooth Pine veneer with a 2" on center V-Bead pattern ideal for stain grade applications.
- The reverse side of *RevBead*® has a primed surface with a 1.6" on center V-Bead pattern ready to use for paint grade applications.
- *RevBead*® - one panel with two options that are perfect for all your beadboard applications - paneling, wainscoting, millwork, ceilings, cabinetry, and crafts.
- **NGBS Green Certified** – *RevBead*® Reversible Plywood Beadboard is certified for points toward ICC-700 National Green Building Standard™ (NGBS).

Benefits of *RevBead*® - Reversible Plywood Beadboard

- Clear or primed, your choice
- 2" V-Bead pattern clear Pine stain grade face - free of patches

- 1.6" V-Bead pattern on the reverse side, primed and ready to use
