panel products from patriot timber

SurePly®
Premium Underlayment

U.S. Patent No. 8,414,996
U.S. Patent No. 9,242,391

LIFETIME
SurePly®
WARRANTY

Features:

- **Lifetime Warranty Guaranteed** – Details available at **www.SurePly.com**

- **Proven Performance** – More than 500 million square feet of *SurePly®* plywood underlayment has been installed since its product launch in 1990 – enough to support over 10,000 football fields of flooring.

- **Go Green** – All the wood veneers in *SurePly®* plywood underlayment come from plantation and sustainable wood sources. *SurePly®* plywood contains no tropical woods or species from endangered forests.

- **NGBS Green Certified** – *SurePly®* plywood underlayment is certified for points toward ICC-700 National Green Building Standard™ (NGBS).

- **Flooring Industry Approved** – *SurePly®* plywood underlayment has been tested and approved by Armstrong®**, Congoleum®, IVC US®, Mannington®, and Tarkett® for use with their flooring. *SurePly*® plywood uses an exterior glue bond*, as required by the major flooring manufacturers' warranties.

- **Approved For Use Under These Flooring Products** – Sheet vinyl, vinyl composite tile (VCT), luxury vinyl tile (LVT), ceramic tile, carpet, engineered flooring, and wood floors.

- **TCNA Tested** – **Extra Heavy Classification** – *SurePly®* plywood underlayment received an **"Extra Heavy"** classification per the ASTM standards for ceramic tile installations by the Tile Council of North America.

- **Premium Grade** – *SurePly's* center core, face and back are all made from premium grade wood veneers and are finely sanded for a consistent, excellent working surface.

- **Delamination Free, Solid, Uniform Core** – *SurePly®* plywood underlayment is manufactured using state-of-the-art technology and multiple quality inspections to ensure that the veneers will not separate. Each piece is guaranteed to have a tight, uniform core.

- **No Bleed Through** – *SurePly®* plywood underlayment is selected for veneer consistency and will not bleed through to your floor.

- **Best Packaging in the Industry** – All crates of *SurePly®* plywood underlayment include two layers of packaging for complete product protection and damage-free arrival.

- **Easy To Use** – No special tools are required for *SurePly®* plywood underlayment installations. **Score and Snap** *SurePly®* plywood underlayment with a knife and straight edge to quickly make the panel size you need on the job.

- **Online Support** – The *SurePly®* plywood underlayment Warranty, Installation Instructions, Installation Video, and Product FAQ's are all available at **www.SurePly.com**.
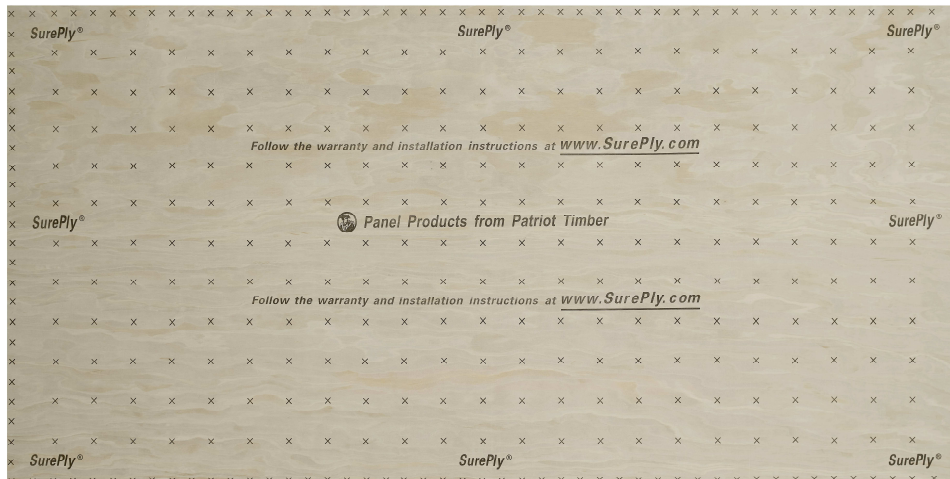

- **EPA TSCA Title VI**

Specifications:

- 1/4" nominal thickness
- 4' x 8'
  50 pieces per crate
